Starting a Dental Fix RX franchise is a great way to own and operate a business with minimal start-up costs and unlimited growth potential. With an untapped customer base and minimal overhead expenditures, Dental Fix RX has become one of the fastest-growing service-based franchise opportunities in America!

Dental Fix RX Can Be Your Ticket to Financial Freedom
People from all walks of life are using a Dental Fix RX franchise to create financial independence for themselves. Here’s why this exciting niche opportunity is becoming so popular:
• Untapped market with steady future growth
• Protected territory
• Identified and prime customer base
• One-of-a-kind business model in the recession-resistant dental industry

Why Invest in Dental Fix RX?
Dental Fix RX is a national franchise like no other. We are revolutionizing the dental service industry by delivering immediate on-site handpiece repairs and equipment service and sales, through a dedicated mobile network of highly trained and successful franchise professionals. As a franchise owner, you will be equipped with a state-of-the-art Mobile Service Center to provide maintenance, repair, and sales to dental offices throughout your protected territory. This unique, three-part business model makes it both popular with dentists and attractive to entrepreneurs.

The Dental Fix RX Opportunity
Dental Fix RX offers the low-cost entry of a mobile franchise. The bulk of your initial investment is broken down below:

- Franchise Fee - $25,000
- Van Upfit & Inventory - $25,000
- Training - $15,000
- Van Down Payment - $2,000*

“The account managers are a great help in building and maintaining my customer base.”
– Mike Ioia, Ft. Lauderdale, FL

*Van down payment may vary slightly.
Dental Fix RX is one of the fastest growing service-based franchise opportunities in America.

Recession-Resistant
Even in a troubled economy, the dental industry continues to grow. Dental services are in high demand and so is the need for our highly trained service specialists. As a result, Dental Fix RX is one of the true recession-resistant opportunities available.
• US Department of Labor projects 9% growth in the dental industry through 2016.
• Dentists can no longer wait for long equipment repair times to keep up with patient demands.

Training
Our Dental Equipment and Parts Training is the only program of its kind in existence. This means you get top-level training from some of the most experienced professionals available. Our six-week training course plus ongoing support will have you up-and-running quickly.
